Moscow-Leningrad, Requirements

For.

REF : St/I Office Notice No. 127 of 15 August 1957.

1. The following requirements are for the Izhora Shipyard located about 1 $\frac{1}{4}$  miles upstream from the confluence of the Izhora and Neva Rivers, on the left bank of the Neva. The last leg of the line of flight, from Mga to Uritsk, should pass close to the yard.

- a. Observe numbers and types of vessels under construction.
- b. Does yard appear particularly busy?
- c. Provide sketch of yard layout and facilities.
